ODR STATE OF IOWA LIAISON OFFICER

The Iowa State Office of Defense Resources (ODR) Officer will represent Region VI at the principal Emergency Operating Center in the State of Iowa. Staff assistance will be provided as needed. He will work closely with the Governor and the State Emergency Resource Director, who is the emergency counterpart of the State Emergency Planning Director, other State and local officials, and Federal agency officials within the State, to clarify and interpret national policies and directives and to assist in the performance of continuity in government and resource management activities. He will provide an overview of the emergency activities within the State of Iowa and will relay requests and needs of the Governor and other Iowa State officials for ODR support to the Regional Director.

P R E F A C E

The list of names contained in this revised Directory was selected by the Governor's Committee from the State's most capable and respected leaders of industry, commerce, education, labor, and government. They accepted this assignment with a keen sense of willingness and responsibility. Because of their selflessness, Iowa will be able to respond to almost any possible post-emergency situation. The State of Iowa is grateful to those citizens who are giving of their time and talents, and we wish to thank them for their contributions to this preparedness for the disaster recovery program.

DONALD C. HINMAN
Director

COPIES OF THE COMPLETE IOWA PLAN AVAILABLE

Anyone on this revised Directory who has not received a copy of the "Iowa Emergency Resource Management Plan" during the period of initial distribution may have one assigned to him for the duration of his activity in this "stand-by" program. Your assistance in reporting necessary changes in this membership directory will be most appreciated. Call or write to:
